CURRICULUM

The curriculum at St. Jerome E.C.C. encourages children to be actively involved in the learning process, to experience a variety of developmentally appropriate activities and materials and to pursue their own interest as members of a Catholic community. All children are involved in an integrated religious program based on Christian values while exploring other cultures as well. Faith development is the foundation of our program, our children grow in acceptance of others, a love for God and a friendship with Jesus, our brother.
