Parent Corner

St. Jerome Church offers faith formation for children of all ages. They utilize a method of teaching known as the Montessori approach. Our center fully supports this type of hands-on learning. We incorporate these methods into our classroom lessons. Our students also have the benefit of visiting the beautiful atriums established by our faith formation program. I hope you'll look into the CGS program philosophy and consider registering your child for the program offered at St. Jerome Church.

The Catechesis of the Good Shepherd especially honors the spiritual values of childhood and wishes to nurture the formation of a consciousness which is oriented to the construction of the history of salvation in justice and solidarity.
