Good morning St. Jerome Families!

The teachers, Mrs. Porter and I want to wish you a very happy Easter!

We can celebrate the Good News that Jesus has died for us and is RISEN!

Let us cling to His words, "I am with you always!" Matthew 28:20

Join us tonight as we celebrate the Mass at 7:30 pm LiveStream from St. Jerome Church. Go to

<https://www.stjeromeonline.org/>

Our prayers are with you and we look forward to seeing you after this crisis has passed.

Sincerely,

Phyllis Steele

### **Spanish Lesson (all ages)**

"Hello everyone, I hope you are all doing well. I miss you so much and I'm hoping to see you soon.

Today we will learn about feelings/emociones. I hope you enjoy it.

We will learn all about emotions and their names in Spanish. While you learn with Mom and Dad you will practice making expressions with your face and saying the words aloud in Spanish.

For example, I can make an angry face and I say, "enojado".

After that, we will sing and make some crafts. I miss you so much and I hope you stay safe at home."

Mrs. Kathy

“After you are done reading the book, we will sing some songs.

Please stand up and sing with me!”

“Now we will do a craft and have some fun!

For this activity you will need to:

1. Print the page.
2. Cut all the pieces
3. On a paper plate glue the pieces making a happy face. Remember we have hair, 2 eyes, a nose and a happy smile.

Send your happy face photo to [preschool@stjeromeecc.org](mailto:preschool@stjeromeecc.org) if you want to share your project with your friends!”

## Room 1 (three year olds)

Room One Families,

We hope everyone is doing well! I know your children are excited about Easter. For the lesson on Holy Thursday, I included in addition to a great source of skill-promoting activities, a link to a recipe my family makes every year. I hope you enjoy this tradition as much as we have.

Have a safe and peaceful Easter!

Mrs. Martin

## Rooms 3 & 4

Dear Families,

We hope you and your children are all well! The second part of our Easter Week lesson includes an Easter blessing, a song called We Believe, a craft, and literacy and math activities. We are working on letter U this week. Children can look for objects starting with the letter U around the house as an additional project. Please take a look at the calendar with your child as well, show them what month we are in and count together starting at April 1 to find today's date. They will most likely remember how to find what day of the week it is using horizontal and vertical lines, as we practiced this in school every day during calendar time. We wish you all good health, a wonderful Easter holiday and a blessed weekend,
