

4-2-20

Dear Families,

We are working hard to bring you the resources you need to help educate your children at home. Please use the attached videos and activities to encourage learning during this time. All classes are included so that you can explore them all. Check our website, Facebook and Instagram for tips, links, and ideas we have discovered for you.

For those enrolled in Happy Feet Soccer, I learned that they are providing virtual classes and, therefore, have continued to bill you for their services. If you choose to change your enrollment, please contact them directly.

Wishing you continued good health and happiness,
Phyllis

Rooms 3 and 4 (four year olds)

Dear Families,

We hope you and your children are all well! Please let them know we miss them very much! Please click on the link below to find our prayer and today's story: Bunny's First Spring. After the story there is a story retelling activity, a craft and a Bunny Alphabet, all attached. Next week our theme will be Easter. We will listen to a Bible story, learn about the true meaning of Easter, and have some fun Easter activities to complete.

We hope you all stay safe and healthy and have a blessed weekend,

EC4 Teachers
